

Guidelines for Writing Master's and Ph.D. Theses **(Graduate School)**

☐ Thesis Writing Principles

- According to Article 20 of the Degree Conferment Regulations(Structure and Format of Degree Thesis), theses for degree conferment must be written in Korean in principle. However, they may be written in a foreign language with the approval of the academic advisor and must comply with the thesis writing guidelines.
- The thesis must be written and submitted using a standard word processor (e.g., Hangul Word Processor or MS Word).
- If a department has separate regulations regarding thesis formatting or writing style, those rules must be followed.
- The date of thesis submission and approval should be indicated as August or February of the relevant year(20xx).

☐ Thesis Format and Binding Method

Category	Detail
Thesis Format Specifications / Paper Size	B5 format (190mm x 260mm)
Binding Method	Binding: Hardbound; Cover: Black buckram with gold lettering

<Appendix 1 : Cover Page>

The diagram illustrates the layout of a thesis cover page. It features a central rectangular area defined by a dotted border, with a total width of 19cm and a total height of 26cm. The text is centered within this area. The top text is "Master's Thesis / Doctoral Dissertation(18-point)" in a bold, black font, with a blue "(18-point)" suffix. Below this is the title "Title of Thesis(Dissertation)(21~24-point)" in a bold, italicized, black font, with a blue "(21~24-point)" suffix. At the bottom, the author's name "Gildong Hong(18-point)" is followed by the department "Computer Engineering Major(14-point)", the department "Department of IT Convergence Engineering(14-point)", and the institution "Graduate School of Gachon University(18-point)", all in bold black font with blue suffixes. Dimensions are indicated by arrows: 19cm for the total width, 26cm for the total height, 3cm for the top and bottom margins, and 2.5cm for the left and right margins.
